

# Banks County

Each county we serve is interconnected to the other 11 counties in our region. The needs are intertwined, but there are always challenges that each county faces specifically. Here is a quick look at the needs of your county and the current grant recipients helping meet those needs.

**52%**

of children do not read proficiently by third grade

**1 in 10**

youth ages 16-24 are not in school or working

**72%**

of 3-4 year olds do not attend preschool
