

GROUP SERVICE PROJECTS

DRIVES & CARE PACKAGES

DONATION DRIVES

Donation drives are opportunities for your workplace to collect items to then distribute to local nonprofits.

Book Drive - Collect books of all reading levels. Literacy is a critical part of a child's development, and children with books in their home have a higher percentage of being in gifted programs later in their educational careers.

Blanket Drive - Share the warmth with our neighbors sleeping out in the cold or without stable housing. A blanket - new or gently used - can provide not only warmth but comfort as well.

Community Baby Shower - Collect diapers, formula, baby wipes, lotion, bibs, washclothes, blankets, sippy cups, and baby wash and shampoo. These items are expensive and for many new parents, are something they struggle to purchase each week.

CARE PACKAGE ASSEMBLING

Engage your team in a fun and meaningful volunteer project. We can assist in logistics management for package assembling, while you and your team bond putting together packages with care.

Birthday Party Bags - \$15/kit (minimum 20 kits)

Each Birthday Party Bag provides a child at a local shelter, safe house or in a group home an opportunity to celebrate his or her special day. Kits can include: birthday gift bags, cake mix, frosting, candles, aluminum cake pan, and decorative plates and napkins.

Blessing Bottles- \$12/kit (minimum 20 kits)

Reusable water bottles are helpful for those in transitional housing or facing homelessness. Filling those water bottles with items like a pair of socks, sanitizer, hygiene products, a toothbrush and toothpaste, and granola bars can make them feel healthy, clean and ready to take on the next challenge.

Buckets of Clean - \$15/kit (minimum 20 kits)

Cleaning supplies can be hard to come by at times and expensive, so having a ready-made bucket put together help individuals and families feel equipped to stay healthy and keep their place clean. Kits include a bucket, scrub brush, sponge, disinfectant spray, toilet bowl cleaner, bleach, and cleaning cloths.

Senior Care Baskets - \$15/kit (minimum 20 kits)

Many of our local seniors who receive meal deliveries need many other essential items as well. Preparing these Senior Care Baskets with dignity items like adult diapers, Ensure, body wash, shampoo, deodorant, detergent packs (dish and laundry) or other personal items means these baskets can be added occasionally to meal deliveries to our seniors.
