### INDEPENDENT AUDITOR'S REPORT

To The Board of Directors United Way of Northeast Georgia, Inc. Athens, Georgia

### Opinion

We have audited the accompanying financial statements of United Way of Northeast Georgia, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Northeast Georgia, Inc. as December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Way of Northeast Georgia, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Northeast Georgia, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

• Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of Northeast Georgia, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Northeast Georgia, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

The organization envisions a region where every man, woman, and child has access to quality education, financial stability, and a healthy lifestyle. This is accomplished through annual fund drives for the benefit of approved agencies. United Way of Northeast Georgia, Inc. is exempt from federal and state income taxation under Section 501(c)(3) of the Internal Revenue Code.

#### Northeast Georgia Campaign

Organized in 1952, the United Way of Northeast Georgia, Inc. serves twelve counties of Northeast Georgia.

#### Planned Giving

#### Women United

The Women United program was formed for women to advocate issues important to them and take a leadership role in advancing United Way's work in Northeast Georgia.

#### 211 Program

The 211 program helps build local community capacity through streamlining the process for giving and receiving help. The service covers 15 counties in the Northeast Georgia region. 211 service delivery includes database development and maintenance, resource development, community outreach and marketing of 211, and supervision of 211 volunteers. #### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **BASIS OF ACCOUNTING**

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities. Revenues are recorded when earned and expenses are recorded when incurred.

#### NET ASSETS

Net assets of the Organization are classified based on the presence or absence of donor-imposed restrictions. Net assets are comprised of two groups as follows:

Net Assets Without Donor Restrictions - Amounts that are not subject to usage restrictions based on donorimposed requirements. This class also includes assets previously restricted where restrictions have expired or been met.

# NOTES TO THE FINANCIAL STATEMENTS

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Net Assets With Donor Restrictions - Assets subject to usage limitations based on donor-imposed or grantor restrictions. These restrictions may be temporary or may be based on a particular use. Restrictions may be met by the passage of time or by actions of the Organization. Certain restrictions may need to be maintained in perpetuity.

Earnings related to restricted net assets will be included in net assets without donor-restrictions unless otherwise specifically required to be included in donor-restricted net assets by the donor or by applicable state law.

#### **USE OF ESTIMATES**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

#### **INCOME TAX**

The Organization is a not-for-profit corporation, which is tax-exempt under Section 501(c)(3) of the Internal Revenue Code (IRC), whereby only unrelated business income, as defined by IRC Section 512(a)(1) is subject to federal income tax. The Organization had no unrelated business income subject to taxes for the year ended December 31, 2022.

In addition, the Organization qualifies for the charitable contribution deduction under IRC Section 170(b)(1)(a) and has been classified as an organization that is not a private foundation under IRC Section 509(a)(2). The determination letter of tax-exempt status by the Internal Revenue Service was dated April 1965.

The Organization has evaluated its uncertain tax positions as required by FASB ASC 740-10 (FIN 48), *Accounting for Uncertainty in Income Taxes*, and finds no uncertainties or tax contingencies that require disclosure. The Organization's Form 990, *Return of an Organization Exempt From Income Tax*, are subject to examination by the Internal Revenue Service generally for a three-year period after filing. The three prior periods remain open for routine examination.

#### **INVESTMENTS**

The Organization follows the FASB ASC 958, *Not-For-Profit Entities*, which establishes external reporting standards for not-for-profit organizations. Standards for accounting for investments in equity securities and debt instruments are contained in FASB ASC 958-320, *Investments-Debt and Equity Securities*. Investments are stated at fair value. The fair value of debt securities and marketable equity securities are based on quoted market prices at the date of the financial statements. The investments are subject to various risks such as interest rate, credit and overall market volatility, which may substantially affect the value of the investments. Investments are stated at their current market value at December 31, 2022.

#### BENEFICIAL INTEREST IN FUNDS HELD BY OTHERS

Beneficial interests in assets held by others represent investments held by the Athens Area Community Foundation (AACF) which are comprised of pooled accounts. Pooled accounts are comprised of broad asset category types including bond funds, mutual funds and cash equivalents. The underlying holdings are based on unadjusted quoted market prices. Realized and unrealized gains and losses are included in the accompanying statement of activities and changes in net assets as investment income or loss.

# NOTES TO THE FINANCIAL STATEMENTS

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

### FAIR VALUE OF FINANCIAL INSTRUMENTS

The Organization adopted the provisions of FASB ASC 820, *Fair Value Measurements and Disclosure*. FASB ASC 820 defines fair value and establishes a hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets that may include quoted prices for similar assets or liabilities or other inputs which are corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

### **CONTRIBUTIONS - PUBLIC SUPPORT**

Contributions represent public support and are recognized when the donor makes a promise to give that is, in substance, unconditional. Contributions received are recorded as unrestricted or restricted depending on the existence and/or nature of donor restrictions. When a restriction expires, restricted net assets are reclassified to unrestricted net assets. The Organization uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on management's experience in prior years and management's analysis of specific promised to give.

Campaign results may include:

- Unrestricted local campaign pledges and donations.
- Local campaign pledges restricted by donors to another not-for-profit agency or other United Way programs (referred to as donor choice).
- Campaign pledges from other United Ways designated to United Way of Northeast Georgia, Inc..
- Donor designated amounts raised on behalf of others restricted to support agencies not supported by the United Way of Northeast Georgia, Inc. (referred to as donor choice).

### CAMPAIGN PLEDGES RECEIVABLE

Annual campaign pledges are generally available for unrestricted use in the related campaign year. Pledges receivable are valued at the amount pledged, less an allowance for estimated uncollectible amounts. The allowance is \$33,838 at December 31, 2022 (Note 4).

### PROPERTY AND EQUIPMENT

Property and equipment are stated at cost or at estimated fair value at the date of the donation. Donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. The Organization capitalizes all assets with an estimated useful life of more than one year and a cost in excess of \$5,000. Depreciation is computed using the straight-line method over the following estimated useful lives as follows:

Office Building	40 years
Equipment and Furniture	3 - 10 years

Repair and maintenance costs, which are not considered improvements and do not extend the useful life of property and equipment, are charged to expense as incurred. When property and equipment are retired or otherwise disposed of, the asset and accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in the statement of activities. (Note 5).

#### NOTES TO THE FINANCIAL STATEMENTS

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

### CONTRIBUTED SERVICES

The Organization follows the provisions of FASB ASC 958, *Not-For-Profit Entities*, which indicates recognition of contributed services should be recognized only if the service creates or enhances a non-financial asset or the service provides specialized skills that would need to be purchased if not provided by donation. Accordingly, no contributions for volunteer services are recognized in the statement of activities.

Management estimates that volunteers contributed approximately 2,000 hours during the year ended December 31, 2022. The fair value of these services represents a significant contribution to the Organization that is not recognized on the Statement of Activities. Based on the latest Bureau of Labor statistics and the information furnished to not-for-profit organizations by the Independent Sector, the hourly value of volunteer time in Georgia is \$31.80 per hour. The resulting value of volunteer time to the Organization would approximate a contribution of \$63,600.

#### AGENCY DISTRIBUTIONS

Amounts which have been awarded to specific agencies in the current year to be disbursed by the end of the next year. Those amounts not distributed as of December 31, 2022 are reflected in the accompanying Statement of Financial Position as "Agency Distributions". Donor choice funds are paid separately and included in 'Agency Distributions" (Note 7).

# FUNCTIONAL EXPENSES ALLOCATION

The cost of providing various programs, services and other activities have been summarized and categorized on a functional basis in the accompanying Statement of Activities and the Statement of Functional Expenses as either Program Services or Supporting Services. Specific expenses that are readily identifiable to a single program or activity are charged directly to that function. However, certain expenses relate to more than one function and are allocated between program and supporting services based on estimates made by management.

#### COMPENSATED ABSENCES

Employees of the Organization are entitled to paid vacation, depending on job classification, length of service and other factors. Any unused vacation on December 31<sup>st</sup> is forfeited. The Organization's policy is to recognize the cost of compensation when actually paid to employees.

### STATEMENT OF CASH FLOWS

The Statement of Cash Flows is intended to reflect only receipt and payment activities arising from cash transactions. The Statement of Cash Flows does not reflect immaterial non-cash investing activities.

#### RECENT ACCOUNTING PRONOUNCEMENTS

In February 2016, the FASB issued ASU 2016-02, *Leases: Amendments to the FASB Accounting Standards Codification*, which amends the existing guidance on accounting for leases. This ASU requires the recognition of lease assets and lease liabilities on the balance sheet, and the disclosure of key information about leasing arrangements. For the year ended December 31, 2022, the Organization adopted ASU 2016-02 using the modified retrospective approach, which did not have an effect on total assets or the changes in net assets. The Organization made the respective presentation and disclosure requirements enhancements as part of the adoption of ASU 2016.

### NOTES TO THE FINANCIAL STATEMENTS

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

### SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 20, 2023, which is the date the financial statements were available to be issued. As of this date, there are no material subsequent events that require adjustment to or disclosure in the financial statements for the year ended December 31, 2022.

#### NOTE 3 - FUNDS HELD BY OTHERS

Investments held at Athens Area Community Foundation, as noted in the Summary of Significant Accounting Policies (Note 2), are pooled with other Organization's funds and invested in diversified portfolios of marketable equity and fixed income securities. The underlying assets at the Athens Area Community Foundation are measured at fair value using Level 1 inputs. The Organization's ownership in the investments is represented by undivided interest in the investment portfolios managed by the Community Foundation and not in the underlying assets themselves. The fair market value of the Organization's interests have been determined using the net asset value method (NAV). The NAV is based on the value of the underlying assets, minus any liabilities, and then divided by the number of interests outstanding. The undivided interests are not themselves publicly traded.

The investments are stated at their current market values at December 31, 2022 and consist of the following:

Planned Giving	\$ 319,984
General	302,148
211 Program	 78,043
